

PRESS RELEASE FOR IMMEDIATE RELEASE

Temporary overnight traffic patterns to change on Hal Greer Boulevard at 10th Avenue from 7 p.m. Wednesday, June 14, to 5 a.m. Thursday, June 15, and from 7 p.m. Thursday, June 15, to 5 a.m. Friday, June 16, weather permitting.

Drivers can expect a temporary shift in the traffic pattern along Hal Greer Boulevard at 10th Avenue from 7 p.m. Wednesday, June 14, to 5 a.m. Thursday, June 15, and from 7 p.m. Thursday, June 15, to 5 a.m. Friday, June 16, as contractors relocate water lines as part of the Hal Greer Boulevard project intersection realignments.

The northbound and southbound traffic will be shifted to install a new water line. All traffic will be maintained at this intersection, but the traveling public should proceed with extra caution and watch for flaggers. Please use caution when adjusting to temporary traffic patterns.

Work is part of the Hal Greer Boulevard Renovation Project. Although crews are not always on-site, this is a permanent construction zone until the project is complete.

The Hal Greer Boulevard Complete Street project's goal is to improve connectivity and safety for all modes of transportation on Hal Greer Boulevard from 3rd Avenue to the entrance to Kinetic Park on Route 10 and transform the corridor into a welcoming gateway and community asset.

Traffic traveling through the area should pay attention to posted signs and message boards for current traffic patterns.

Drivers should expect delays and adjust their commuting schedules.

Please use caution when traveling through the area for flaggers, equipment, and workers.
