Project Overview

Recipients are required to enter projects funded through SLFRF funds as part of their Project Projects can be entered, viewed, and updated from this screen.

All projects, regardless of Expenditure Category, require a set of "standard" data fields. Some name and project ID, are static and do not change across reporting periods. Other fields, such total obligations, will change across reporting periods.

Note: Bulk Upload templates will appear once you have selected the Project Expenditure Cat

Due to the expansion of Expenditure Categories (ECs) and additional required fields effectiv cycle, the project status indicator on the My Projects screen will display a yellow warning fo projects until the project expenditure category is confirmed and the additional programmat Users can change a project's EC by clicking the project status indicator in the My Projects li confirm and save a project's EC, click the save project from the bottom right. Recipients are Expenditure Categories for previously entered projects to ascertain the Expenditure Categ funds.

You may need to refresh your browser screen to see your new entries.
