2. Mobile food service vehicles shall park facing the same direction as traffic, at a distance of no more than 12 inches between the curb face or edge of pavement and with the service window of the vehicle facing the curb or edge or pavement.

The mayor's decision shall be issued in writing, based on a written summation of the pertinent facts, and shall be final. The mayor may reverse the denial, suspension or revocation of a permit, or may reduce the waiting period required for reinstatement of a revoked permit if it is determined that the operator has taken reasonable steps to mitigate the violations leading to the revocation and to prevent future violations.
- c. *Refunds.* There shall be no refund of an application fee for a mobile food vendor permit that has been denied.
