

NEED A SPECIAL PICKUP?

Dear resident,

The following are guidelines on how to proceed if you need a special refuse pickup:

1. The resident will phone in the request to the Sanitation Division at 304.696.4431
2. The Director of Public Works, or his/her designee, will then assess the order.
3. The resident will be contacted by the City about the price of pick up.
4. The resident will then pay for the pick up at Huntington City Hall.
5. The garbage/trash/brush will be scheduled to for pick up according to your normal refuse collection schedule.

There will be **NO CHARGE** for pick up if **BOTH** of the following apply:

1. There is not more than one pick up per month.
2. The pick up requires not more than one (1) pickup truck (8 ft. bed) for removal.

Items that are not to be placed for collection include needles, syringes, tires, paints, offal, animal carcasses, sewage, or any type of bio-hazardous material.

Your weekly garbage should not be set out for collection before 6:00 pm the night before it is to be collected.

Please do not place grass clippings/leaves/yard brush in the roadway, as it leads to clogged storm drains and contributes to flooding issues.

Brush and limbs should be tied in bundles not exceeding forty-eight (48) inches in length by eighteen (18) inches in diameter. The total brush bundle should not weigh more than seventy-five (75) pounds.
