Variance of Zoning Regulations Application

ATTACHMENT A

In making its decision to approve or deny a Variance request, The Board of Zoning Appeals must consider four criteria. Please provide a written statement on how the proposed Variance will affect each of the following considerations:

1. Effect upon public health, safety, or general welfare, or the rights of adjacent property owners or residents:

2. What is the special condition or attribute of the property for which the variance is sought (must not be created by the person seeking the variance):

3. How an approval of the Variance would eliminate an unnecessary hardship and permit a reasonable use of the land:

4. How would an approval of the Variance allow for the intent of the Zoning Ordinance to be observed and substantial justice done:
